

CUSTOM BUILT TO YOUR SPECIFICATIONS

Brothers Body and Equipment food carts allow you to utilize space that might otherwise go unused and relieve congested food service areas. Food carts are very efficient and convenient. They allow you the mobility to place your cart right where the traffic is giving you the advantage to increase sales. Carts can merchandise a variety of food items. These include standard beverages and snacks, hot and cold foods, ice cream and specialty ethnic offerings like pizza, Mexican food, barbequed selections, and more. You can customize your cart with freezers, refrigerators, rotisseries, and just about any specialized equipment to fit the requirements of any vendor.

Our food carts are constructed of heavy-gauge, stainless steel doors with heavy-duty hinges which guarantee dependable operation. To further the durability of our carts, we install a steel stiffener bar in the framing for structural integrity. We provide eye-catching graphics and paint schemes to increase your sales.
