

## CUSTOM BUILT TO YOUR SPECIFICATIONS

Our time tested, service proven bunkhouses offer performance and durability. We can build a bunkhouse that will meet any need. All of our bunkhouses are constructed of severe duty commercial materials, to stand up to many miles on the road. We guarantee the functionality and quality of our bunkhouses. Brothers Body and Equipment takes pride in understanding our customers standards and requirements when building your custom unit. You can furnish your own trailer or we can provide you a new or preowned trailer.

Our standard 28' Pup Bunkhouse includes a shower room with a standard shower, vanity with sink, 30 gallon fast recovery electric hot water heater, and 120 gallon gray water tank with large drain valve. There are 4 double bunk rooms with heavy duty melamine linings, commercial vinyl floor covering, 8 twin mattresses, and central air with 8 KW heat in underbody compartments. Five custom entrance doors with sliding tinted windows and 5 durable "Grip-Strut" stairs are included as well.
